## INTERESTING LETTER.

**What John T. Ditto Saw at Hustling Illinois.**

**Stock Brings Fancy Prices—Profitable Street Fair.**

John T. Ditto, the well-known hat salesman, writing from Decatur, Ill., to relatives in this city says:

In glancing through the News columns for things of interest surrounding my home I saw the notice given of Mr. Foot's sale of fine cattle near Irvington. It reminded me of the sale of fine "Herd" cattle that took place at Mowqua, Ill., by T. C. Pouting while I was there a few days ago. He sold 65 head of calves, cows and bulls at an average price of \$167 per head. This is what I call a fancy price for cattle, but the owner thought they went to cheap. There were buyers from all over the country. All classes of stock are higher bred in this state than in Kentucky, you never see scrub cattle unless they are imported. Mr. Pouting had a sale next day of fine draft and coach horses, but I did not learn of the number sold or the price they brought. There seems to be a revival of interest in the breeding of stock by the farmers lately.

Free street shows seem all the go this fall. Word "Free" takes and the towns crowd with people. Merchants are doing a big business. Had nice weather, a little cool. One dry goods concern sold \$4,500 worth of goods Thursday. Today is Saturday and will be a big day for the merchants.

Joe Grimes, the heavy weight champion bicycle rider of the world, is here and will ride in a race on wheel and also run a foot race. He is 6 ft 4 in. and weighs 560 pounds. **JOHN T. DITTO.**

### HONOR ROLL.

**Pupils Who Are Making Records at Utopia College.**

**UTOPIA HONOR ROLL AND NOTES.**  
School is in unusually good working order with just enough legards to show the evils of idleness. Honor roll would be very long if standard were not put high. The first place is equally held by little Harry Moorman and Miss May Dempster. Each averaged 98.8 for the month. The next three girls: Rosebud Moorman, Emma D. Moorman, and Ada Maxwell each made an average of 99.7. The next twelve stand in the following order: Daisy Deane, Alma Mattingly, Walter Moorman, Sallie Robertson, Mach Peyton, Elliott Moorman, Meda Maxwell Otter Owen, Ada Mattingly, Eddie L. Moorman, Ollie Hoskins, and Jesse Rhodes.

Noticeably fine work is being done by the younger members of the school.

School has lost one of its best and most beliked pupils in Bernard Roberts, of Falls of Rough. He will go to Madisonville in a short time.

Good workers, including Flora Tilford, Eula Harper, Glen Fisher, Lillie White, Ernest McDonald and others were absent a day or two on account of sickness, work, etc., and in this way fail to reach the honor roll.

Visitors at school last week were: Miss Alla Morgan, W. C. Moorman, Miss Lottie Moorman, Miss Nannie Owen, Miss Carrie Owen, Jim Deane, Miss May Moorman, Miss Luella Vessels, Fred Moorman, Miss Nannie Fisher.

The Roll of Honor for Miss Board's room contains Hallie Smith, Ellen Smith, Mamie Harper, Silva Mattingly, Luke Clark, Doia Matheny, Richard Smith, Louise Moorman, Maude Mattingly, Vandy Powell, Sadie Eskridge.

### House Destroyed

At ten o'clock last Wednesday night the house owned and occupied by James Harned, at Big Spring, caught fire and burned to the ground. While the fire was in progress the members of the family and some neighbors succeeded in saving some of the household goods. The loss was \$1,000; insurance \$500.

Mrs. W. J. Dean, of Glendene, passed through the city Saturday, on her way to Owensboro, where she is the guest of her son, J. Allen Dean.

## FAMILY REPUTATION

**Is Fully Sustained By This Romantic Swain.**

**Eloping Couple Ride Forty-Five Miles On Horseback.**

**NIGHT WAS DARK AND THE WAY DREARY**

Two more ardent devotees of Cupid than Henry Carter, of Grayson county, and Polly Gray, of Butler county, have not been seen in Cloverport in many a day.

Henry and Polly are children of nature. They come from the backwoods and their love for each other is as passionate as one of Ella Wheeler Wilcox's poems.

They wanted to marry but Polly's parents said to her, "Nay, nay, Pauline! Thou shalt not."

Polly, however, did not care a picayune for the interposition of her parents and when, early Saturday evening, Henry Carter came to the house, where she was visiting, with two fleet saddle horses she said she would fly with him to the ends of the earth and then some if her wings held out.

Henry was gratified at her determination and he had her mount the waiting steed. They set off on their journey about dusk. They rode forty-five miles that night through darkness over the roughest roads in this section of the state and more than once each mentally vowed that the course of true love was a very rocky one.

They arrived in this city at 9 o'clock and were immediately taken in charge by John Suome, that old deputy of Cupid. He piloted them to Cannelton. On the way he proved to them that a confirmed bachelor can sympathize with lovers just as truly as the gay Lothario whose affairs of the heart are too numerous to mention.

John was present at the marriage at Cannelton and said "bless you my children" with an untentiousness that demonstrated he meant every word that he said.

Henry Carter comes from an eloping family and his participation in the runaway match helps to keep up the family reputation. His father and his only brother both eloped with their present wives and got married in Cannelton.

### Delivering Stone.

Mr. James Hennen, of Hawesville, is delivering the stone for the protection of the river bank at the cellulose factory at Owensboro. It will take between 5,000 and 6,000 yards of stone for the contract. The stone is taken out on the Indiana side of the river just above this city. Mr. Hennen is one of the best known boatmen in this section and his many friends here are glad to learn of his securing so important a contract.

### An Eminent Instructor.

Prof. Crabbe, of Irvington College has engaged for his teacher of music and elocution, Miss Partridge, of Connecticut. The lady received her musical education at the New England Conservatory of Music and her elocution at the Boston School of Oratory. To intelligent people and those posted on music and elocution the fact that she has received her training at the first musical institute in the United States, and the best school of elocution in the United States will speak for itself. This is a rare opportunity offered to our people to secure.

## DEATH'S HARVEST.

**Breckenridge a Fruitful Field For the Grim Reaper.**

**Deaths That Have Taken Place in the County.**

### JOHN H. HARMAN.

John Harman died at his home near this place last Thursday night after a short illness of pneumonia. Mr. Harman was sixty-five years of age and was the last of a family of fourteen children. He lived a bachelor, and came here from the State of Maine, in 1868. He made his home on a farm near here and had many personal friends. Mr. Harman was a great reader, and took an active interest in public matters, and especially such things as related to his own country. He was a warm friend of the News, and has been one of our constant subscribers ever since the first publication.

His remains were interred in the City Cemetery here, Friday evening, Rev. W. B. Speed officiating.

### ELIHA SIMMONS.

Last week we attended the burial services of Eliha Simmons, which occurred at the old Scott burying grounds near Harned's Station. Mr. Simmons' death occurred at Garfield, and he was in his eighty-first year. His death was not unexpected, as it was caused by old age and general infirmity. The death of Mr. Simmons removes from that locality one of the old landmarks.

His burial was a typical country service, solemn and impressive. The grave yard was filled up with a large number of friends from the neighborhood, who who had turned out to pay their respects to a beloved old man. Rev. Minor Compton conducted the funeral services.

### JOHN RHODES.

John Rhodes, one of the most estimable citizens of the McDaniels neighborhood, died Friday morning of senile decay. He was eighty-five years old at the time of his death. His funeral took place Saturday morning at eleven o'clock, the interment being in St. Anthony's cemetery at Long Lick. Mr. Rhodes was one of the pioneer citizens of the county, and was a man of splendid character and worth. He leaves eight children to mourn his loss. Mrs. Thomas Lewis, of this city, was a daughter, and was at his bedside at the time of his death. She and her daughter, Miss Florence Lewis, attended the funeral. Mr. Rhodes had a legion of friends, who, with the News, extend their sincere sympathies to the bereaved ones he left behind.

### IDA TAIL.

Ida, the three-year old daughter of Nat Tail, died Friday night, after an illness of several months' duration. The parents have the sympathy of the entire community in their affliction.

### JOHN CAMPBELL.

John Campbell, an aged resident of the Duke neighborhood, died last Friday of ulceration of the bowels. He was sixty years of age and had lived a life of probity. His interment took place at Wheatley grave yard.

### JAMES MASON.

James Mason, the son of George Mason, aged twenty-five years, died at the home of his parents last week. He was buried at the Mt. Pisgah grave yard.

### JAMES WRIGHT.

Mr. James Wright, of the Jolly Station neighborhood, died last Friday night after a short illness of typhoid fever. Mr. Wright was one of the leading farmers of his locality. He was a man who was un-

dowed with that progressive spirit that begets prosperity and success. His conservatism and his fine character caused him to be regarded as one of the most substantial men of the county. He leaves four children. The News, with a legion of friends, regret his death.

### Parsnip Complexion.

It does not require an expert to detect the sufferer from kidney trouble. The hollow cheeks, the sunken eyes, the dark, puff circles under the eyes, the sallow, parsnip-colored complexion indicates it.

A physician would ask if you had rheumatism, a dull pain or ache in the back or over the hips, stomach trouble, desire to urinate often, or a burning or scalding in passing it; if after passing there is an unsatisfied feeling as if it must be at once repeated, or if the urine has a brick dust deposit or strong color. When these symptoms are present no time should be lost in removing the cause.

Delay may lead to gravel, catarrh of the bladder, inflammation, causing stoppage, and sometimes requiring the drawing of the urine with instruments, or may run into Bright's Disease, the most dangerous state of kidney trouble.

Dr. Kilmer's Swamp Root, the great discovery of the eminent kidney and bladder specialist, is a positive remedy for such diseases. Its reputation is world-wide, and it is so easy to get at any drug store that no one need suffer any length of time for want of it.

However, if you prefer to first test its wonderful merits, mention the BRECKENRIDGE NEWS, and write to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle and book telling all about it, both sent absolutely free by mail.

### SPLENDID WORK.

**Patterson Hill Has Been Greatly Improved.**

Road overseer Hardy Walker has been doing some splendid work on Patterson hill. That part of the road has been put in better order than it has been in for years past and the work has been done very economically.

Mr. Walker has had 1,000 wagon loads of rock placed on the road and sledged in at a cost of \$140. The rock has been broken up to the required size and makes a fine roadway in the winter.

### TOO LAZY.

**Contractor Could Not Get Negroes to Work For Him.**

C. M. Rutherford, of Lebanon, Tenn., was in the city Monday trying to secure 25 negro laborers to go to Tennessee and work on a Cumberland river contract. Although the streets of Cloverport are infested with a horde of idle negroes, he could not secure one to go with him. The officials should do something to compel these pests to go to work or keep off the streets.

### He's Commanding The Regiment.

Col. Coleen, of the Fourth Kentucky Regiment, is now Brigadier General at Camp Shipp, and the duty of commanding the regiment has devolved upon Lieutenant Colonel D. R. Murray, of this city, who has been acting as colonel for some weeks. Colonel Murray intimates that the Fourth Regiment will be ordered to Cuba for service about the 19th of November.

**Dr. Hall's Cough Syrup will cure** throat and lung trouble without fail. For grippe, influenza and a deep seated cough or cold, it is the best remedy offered to the public. The doses are small and a bottle costs only 25c.

## RUSHING TIMES WITH US.

This business has been established for years and has had an extensive trade all the while, but last week we surpassed all previous records and did the largest business in its history. This is very satisfactory to us and we certainly appreciate the large trade we are getting. It proves beyond a doubt that our facilities for handling a large business are not excelled. The merchant who buys in large quantities, pays cash and saves all discounts and sells for cash is certainly the one who can and will save you money on your purchases. Read our prices and be convinced.
